Letters from our Guests

I'd rate the trip a 10+. For me, it was a perfect combination of doing things outdoors and learning more about where I was visiting. I thought the trip planning was well thought out, I don't think there would be any way to improve this trip. I believe camping is the only way to see Alaska and driving down the center, seeing the terrain change and getting into more remote areas was unforgettable.

- Elaine Taylor

I will say I have been telling everyone I know and many of my customers that asked me about my trip, I tell them about you and that you are the best. It seems as though you have a great group of employees that love what they do. Keep up the good work!

- The Bird Family

Hope we can do it again sometime!

We all had a great time and hope it won't be our last trip to Alaska.

- John W. Hall

Thank you for all of your time and patience with all of us. I know all of us had a super time and a time we will never soon forget. Thank you again and continue doing a great job.

- Clay Howard

Wonderful trip! In traveling another two weeks after the Alaska Outdoors trip, I met other travelers and learned about other companies. Given all that, I would pick your company again. The trips are just the right size for my taste and the mix of camping and hiking was great!

- Linda Andrews

We had a great time. I would definitely consider another one of your trips.

- John Fanta

Keep up the good work. I will definitely recommend you if next year's class wants to go to Alaska.

- Chris Elliott

Each adventure/experience was a true high! I had a great time!

- Jewell Smith

I just wanted to let you know that we thoroughly enjoyed our "Classic Alaskan" camping tour with Sophie. She was high spirited, organized, timely, went out of her way to be helpful in every way possible and I know that everyone in our group felt the same way! If she didn't know something, she immediately found the answer. She dropped what she was doing to make flight arrangements for us. Thanks to her, we were able to fly around Denali the ONLY hour that it was visible the three days we were there! I just wanted to let you know we thought very highly of her as a guide and would recommend you and your company whenever we have the chance!

Sincerely, Jeannine Diner

I have not met any other guides with such a worry and concern as Mark and Sophie for my safety, comfort, enjoyment, diet, conversations, friendship... and music. Thank you!

- Maria Eugenia Azagra

In all, this was overall the best organized tour I've ever taken. I would be delighted to recommend your services to any and all potential clients.

- Ofra Razel

The staff and owner were extremely attentive and energetic... each campground was spectacular- a photo opportunity at every turn. I had a FANTASTIC TIME and I eagerly anticipate my return trip.

- Jaqueline Randolph

Your personal attention to everyone and willingness to go an extra mile (and sometimes way out of your way) to make every client happy should be an example for everyone else. I'll be more than happy to recommend Alaska Outdoors to anyone interested in getting close and personal with this great land.

- Vitaly Zinovyev

Our guide really did "go the extra mile". She worked so hard and made sure that the needs of every single person in the group were catered to- cooking, taking us to and from places, booking trips on our behalf, recommending hikes- she did it all!
